Continuing Education Grant Application

This application is posted at www.femaleharmonysociety.org.

The Continuing Education Grant Program is a partnership between Hanover Presbyterian Church and the Female Harmony Society. Both organizations have a long history of supporting education. This grant program was created to help support young people associated with Hanover Presbyterian Church to continue their education beyond high school.

The money for these grants comes from donations and funds raised by Hanover and the Female Harmony Society. The amount of money available and the number of youth eligible for the grants fluctuate each year. This year we are able to offer \$500 to those who are continuing their education in college for their second, third or fourth year, or who are continuing their education in the second, third, or fourth year of a training program or a program leading to certification for employment.

Please fill out the information below and mail it or drop it off to:
