High School Graduate Grant Application Continuing Education

This application is posted at www.femaleharmonysociety.org.

The Continuing Education Grant Program is a partnership between Hanover Presbyterian Church and the Female Harmony Society. Both organizations have a long history of supporting education. This grant program was created to help support young people associated with Hanover Presbyterian Church to continue their education beyond high school. The grant can support a college program or other types of education that lead to training and/or certification for employment.

The money for these grants comes from donations and funds raised by Hanover and the Female Harmony Society. The amount of money available and the number of youth eligible for the grants fluctuate each year. This year we are able to offer \$500 to those young people who have graduated from high school and are continuing their education.
